## Spring Term School Development Plan notes

- Subject Leaders data knowledge and understanding how it links to the intervention map for the school (being able to answer so what? Evaluate what has worked well and why? Subject leaders understand the value of Raise Online data/Target Tracker data for their subject and for vulnerable groups. In line with the new DfE accountability document that was released.
- British Values how evident in our curriculum? What community links can we make with other religions?
- Better provision for our children EYFS and Forest School links
- Speaking and listening/Pie Corbett for English
- Balance of our school day between head (academic) heart (wellbeing) and hand (creating, making, doing and leading)
- Continuing to build a rich and creative curriculum within and beyond the classroom, fully meeting the needs of individuals and groups of pupils
- Christian distinctiveness to develop in terms of the collective worship outcomes from the INSET with Mike Dean and from the SIAMS visit with LDG HT.
